Dear Stakeholder,

Exciting news! We're thrilled to announce that Sizwe Hosmed's accreditation has been renewed by the South African Local Government Bargaining Council (SALGBC) for 2025!

This allows us to continue serving our loyal and trusted members and ensure they receive the best possible care when they need it most. From routine check-ups to critical treatments, we stand by our promise to offer extensive member benefits that align with member health requirements.

**We're here. We're stable. Our doors are open. We're operating and We're paying claims.**

We have been covering the lives of South Africans of all ages, races, genders and affiliations with medical aid for a combined 82 years. We're part of the fabric of this country. Its history and pulse run through our veins! As the country's 8th largest open medical scheme – we're an important player in South Africa's healthcare industry.

As we look towards 2025, we aim to enhance our members' experience, expand our services, and ensure we're always here for them.

We are more than just a medical scheme; we are our members' partners in health.
