27 September 2024

Dear Valued Stakeholder,

Sizwe Hosmed launched its 2025 products on 20 September 2025, the same day we received our official South African Local Government Bargaining Council (SALGBC) accreditation for 2025!

This is a reassurance once again that Sizwe Hosmed is operating. We're here. Our doors are open. and We're paying claims.

We thank our stakeholders who attended the Product Launch. We acknowledge your valuable feedback especially as it relates to the announced changes to some of our product benefits i.e., the consolidation of Plus and Titanium Executive options and to form Titanium Executive, and Platinum Enhanced and Value options to form Value Platinum.

- **To our current members** – thank you for your trust and loyalty.
- **To our service providers** - we want to assure you that We're here, We're operating and We're paying claims.
- **To our brokers** - we want to extend our heartfelt appreciation for your unwavering commitment to our members. By prioritising our members' needs and fostering trust, you have played a crucial role in keeping them with us.

We commit to regular and consistent communication with you.

Yours sincerely
