Still Here

Still Caring for You!

For over 83 years, our Scheme has been rooted in care. These roots run deep — grounded in trust, service, and the promise to stand by our members in the moments that matter most. **We're still here, still caring for you.** We have paid claims faithfully, supported our members through life's toughest challenges, and built a reputation as a reliable guardian of healthcare. This enduring foundation makes our members feel safe, supported, and connected to something bigger than themselves.

Being still here and still caring for you also means we continue to evolve and respond to our members' changing needs, lifestyles, and expectations. We are making healthcare more accessible to younger generations who want care that fits seamlessly into their busy lives, whilst being relevant to older generations.

GOLD ASCEND & GOLD ASCEND EDO

Gold Ascend is Sizwe Hosmed's versatile, efficiently discounted plan for young families, covering in and out-of-hospital needs and extensive healthcare programmes including mental health benefits.

The **Gold Ascend Option** provides access to **any** hospital, while the **Gold Ascend EDO** offers the same benefits but **limits** access to hospitals within the Scheme network.

Protection that grows with you!
